Know before you go.

00:00:00 – 00:00:04

[Video opens with music and shows in animation a car driving in winter with a large amount of uncleared snow on its roof. Words displayed on screen read: “Don’t be left in the cold this winter.”]

00:00:04 – 00:00:07

[Video shows car continuing to drive, and snow on roof flies off to land on second car coming up from the rear, which goes into a skid.]

00:00:07 – 00:00:12

[Video shows car covered in snow parked outside house, with heater cord plugged in. While snow on car is cleared, words displayed on screen read: “Remove all snow or it could cause a collision.”]

00:00:12 – 00:00:17

[Video shows closeup of front of car and heater plug. Graphic image shows two plugs together, then pulling apart. Words on screen read: “Don’t forget to unplug.”]

00:00:17 – 00:00:24

[Video shows car outside house driving out of frame. Circular red, white and blue CAA logo appears and words displayed on the screen read: “Be prepared for winter driving. caamanitoba.com/winterdriving.” Video then fades to black.]
